

 Co-funded by the Erasmus+ Programme of the European Union

Jean Monnet Chair
 Economic Integration and European Identity

Manipal Centre for European Studies

Since its inception in 2009, Manipal Centre for European Studies (MCES) at Manipal Academy of Higher Education, an Institution of Eminence has distinguished itself as a premier centre in India for multidisciplinary studies on Europe and European Union institutions. Within a decade, in July 2018, the Centre achieved an important distinction when it was awarded the esteemed Jean Monnet Centre of Excellence status - a recognition that strengthens the commitment of the Centre to further India-Europe relations through academic programs, research projects, and university partnerships.

In 2017, MCES achieved another milestone in the field of European Studies in India by receiving the Jean Monnet Chair for Economic Integration and European Identity. Prof Dr Neeta Inamdar the recipient of this action is an expert on varied aspects of European Economic Integration and its effects on the formation of the European Identity.

MA European Studies

MA European Studies is a one-of-its-kind Master’s program in India that caters to a growing interest in the study of Europe and European Union institutions, which is becoming increasingly relevant in a globalizing world. This multidisciplinary program creates a much-needed platform for graduates from various disciplines to align their academic and career prospects under the overarching and topical field of European Studies. With a unique opportunity to study a part of the program in European partner universities this Master program is designed to foster the understanding of various aspects of European studies, centred around three specialization tracks.

Career Prospects

- EU institutions and international organizations
- Businesses originating/operating in Europe
- NGOs and other not-for-profit foundations
- Embassies, ministries and political and cultural organisations
- Education (academic) and research (think-tanks) institutions
- Translation and interpretation industry
- Legal consultancy (with specific focus on European law)
- Media, journalism and publications fields

Program Highlights

-  Opportunity to study a part of the program in Europe with Erasmus Mundus/Plus and other scholarships/fee waivers
-  Visiting professors from European universities
-  Lectures and Seminars by delegates from EU institutions and other international organisations
-  Hands-on intercultural training and acquisition of international languages
-  International learning environment with state-of-the-art facilities
-  Program structure, credits and academic calendars harmonized with European higher education standards
