In 2017, the Department of European Studies achieved another milestone in the field of European Studies in India by receiving the **Jean Monnet Chair** for Economic Integration and European Identity. Prof Dr Neeta Inamdhar the recipient of this action is an expert and has been teaching and researching the varied aspects of the European Economic Integration and its effects on the formation of the European Identity for a decade.

### Department of European Studies

Since its inception in 2009, the Department of European Studies has distinguished itself as a centre in India for multidisciplinary studies on Europe and European Union institutions. DES is actively involved in deepening India-Europe relations through innovative academic programs and research projects and through university partnerships.

# MA European Studies

## MA European Studies

MA European Studies is a one-of-its-kind master program in India that caters to a growing interest in the study of Europe and European Union institutions, which is becoming increasingly relevant in a globalizing world. This multidisciplinary program creates a much-needed platform for graduates from various disciplines to align their academic and career prospects under the overarching and topical field of European Studies. With a unique opportunity to study a part of the program in a European partner university, this master program is designed to foster the understanding of various aspects of European Studies, centred around three specialization tracks.

## Career Prospects

- EU institutions and international organizations
- Businesses originating/operating in Europe
- NGOs and other not-for-profit foundations
- Embassies, ministries and political and cultural organisations
- Education (academic) and research (think-tank) institutions
- Translation and interpretation industry
- Legal consultancy (with specific focus on European law)
- Media, journalism and publications fields

## Courses of Study

- Three-week intensive Immersion Program
- Three specialization tracks: Business and Economics, Politics and International Relations, Culture and Literary Studies
- Foreign language proficiency: German, French, Spanish
- Second year of studies in partner European University

## Program Highlights

Opportunity to study a part of the program in Europe with Erasmus Plus and other scholarships/fee waivers

Visiting faculty members from European universities

Lectures and Seminars by faculty members, delegates from Europe

Hands-on intercultural training and acquisition of international languages

International learning environment with state-of-the-art facilities

Program structure, credits and academic calendars harmonized with European higher education standards
